Milwaukee Bucks players and staff
- WHEN:** Friday October 10, 2014
3:00 pm
- WHERE:** The area surrounding Engine 36
4060 North 27th Street
- DETAILS:** Each year the Milwaukee Fire Department canvasses neighborhoods checking for working smoke alarms and offering fire safety tips through Project F.O.C.U.S. (Firefighters Out Creating Urban Safety). Firefighters will install free smoke alarms or batteries as needed in each home to provide a critical safety tool.

The Milwaukee Bucks have partnered with the MFD once again to help spread the message of the importance of having working smoke alarms. They will have Honorary Fire Chief Giannis Antetokounmpo, Jabari Parker, Michael Eric, Damien Inglis, Elijah Millsap, and Johnny O'Bryant working along-side firefighters installing smoke alarms to protect homes and increase fire safety awareness.

A press conference will be held in front of Engine 36's quarters at 3:00 pm with Chief Rohlfig and Giannis Antetokounmpo prior to the firefighters and players canvassing the neighborhood.
